
Add a Scored True or False Question to a Project

Created On: May 3, 2021

1. On the panel beside the Stage, select the Insert a new question button.

2. On the Starters list, select the True or False option.

3. Select **As Question**

4. The True or False question page is opened on the Stage.

It is also added at the end of the course in a section called Question Pages.
