# Assigning Content to a Team

---

Created On: September 4, 2024

1. With the Team selected on the Manage Teams panel, select **Actions**.

2. Select **Assignments**.

3. Select **For Review**.

4. You can choose individual Projects as well as Collections of Projects.  
To assign the Team to a Project, select + **Add Project**.

5. You can use the search field and the filters to find a specific Project quickly. Choose the **My Creations** filter.

6. Select **Performance Management - Writing SMART Objectives**.

7. Select **Ok**.

8. The assigned content is now displayed.  
Selecting Ok will return you to the Manage Teams panel.
