
Add a Blank Section to a Flow page

Created On: May 7, 2021

1. On the Add a Section panel below the stage, select **Blank Layouts**.

2. The Add to Your Page panel opens, and scrolls to the Layouts section.

Note: In Claro the Add to your Page panel adds Elements to your page. In Flow, it adds new Sections.

Select the Header and Two Columns layout.

3. Select the X to close the Add to your Page panel.

4. The new Section is added to your page.
